APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all prior rights. The

applicant must install a standard wier and head-gate as

provided by law. No right is granted by this approval

to interfere with the flow of the creek which is

required to irrigate the lands holding prior rights.

The State Engineer reserves the right to regulate the Headgate.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed $1\frac{1}{3}$ cubic feet per second.

Actual construction work shall begin on or before November 25th, 1912.

Proof of commencement of work shall be filed before December 25th, 1912.

Work must be prosecuted with reasonable diligence and be completed on or before June 25th, 1913.

Application of water to beneficial use shall be made on or before October 25th, 1915.

Proof of the application of water to beneficial use must be filed with the State Engineer on or before November 25th, 1915.

WITNESS MY HAND AND SEAL this 25th day of October, 1912.

Cancelled because of failure to file

proof of commencement of work

W. M. KEARNEY

State Engineer.
